(please note that in fairness to all stallholders, and in order to ensure a variety of entertainment, the committee is unlikely to be able to accept applications from more than one organisation for the same type of activity. Stalls/activities will be allocated to the first applicant to bid for them).

Please return the form to me, (as soon as possible and no later than 15 May), at the address below. Please enclose a cheque for the required amount payable to 'Woodchester Events'. We are relying on you all to ensure the success of the Fete, and therefore refunds will unfortunately not be possible. Thank you for your support; the Fete Committee wishes you a successful afternoon.
