Our ref:

Date: 6th January 2014

Dear Sir/Madam,

HIGHWAY WORKS CONVENT LANE & COW LANE WOODCHESTER (ROAD CLOSURES)

We will shortly be undertaking carriageway resurfacing works on Convent Lane between Frogmarsh Lane up to and including Cow Lane. The work is programmed to take place under Road Closures between the 20th January and the 3rd February 2014.

Vehicular access for residents within the works area will be extremely limited due to the nature of the work and size of machinery to be used. Should you require any assistance with access or egress to your property please speak to the operatives on site who will assist in any way they can. Please allow extra time for any journeys that you need to make. However, the road will be open to traffic in the evening and early morning.

Household refuse will be collected on the normal day of the week, please ensure bins are put out before 7:00 on the day of collection.

Both occupiers and drivers are asked to be patient throughout this period of disruption, we will of course make every effort to minimise the inconvenience.

We would further take this opportunity to thank you in advance for your co-operation. Should you have any queries please contact us on 08000 514514.

Yours faithfully

Adrian Boyes
Assistant Local Highway Manager
