

Do you want to shape the future of social housing in Stroud? ...are you a tenant?

Read
On!

There is an exciting opportunity for a second council tenant to join the housing committee to represent the views of all council tenants in the district. You will be working alongside councillors, giving tenants' views on the housing service before decisions are made.

Interested?

No previous experience is required. Training and support will be provided.

You would need to be able to:

- Appreciate tenants' experiences of the council as a landlord
- Represent all types of tenant— older, younger, families, working and retired residents
- Attend six tenant and resident meetings and hear their views. Attendance at other tenant consultation events would be desirable.
- Attend and participate in six housing committees each year. (These and tenant and resident meetings are held at 7 p.m. In fully accessible offices).
- Take part in induction and ongoing training
- Abide by the same standards as councillors
- Expenses will be paid to cover travel, child care and a carers allowance. Transport can be arranged.

Still interested?

Then please get in touch as we'd love to hear from you. Independent housing consultants HQN are carrying out selection and recruitment of the best candidate on behalf of Stroud District Council.

Please contact them on **tel: 01904 557191**
