Invitation to an exhibition of development proposals for Rooksmoor Mills, Bath Road, Woodchester

Planning permission was granted for the redevelopment of Rooksmoor Mills in 2007 to provide new homes and employment opportunities but the development was never progressed. New proposals for the redevelopment of the site to provide new homes and commercial premises are currently being prepared and we would like to hear the local community's views.

The emerging plans for the site will be displayed at a public exhibition on:

Monday 28th January 2013

3.30pm – 6.30pm

at **Woodchester Village Hall**, Church Road, GL5 5PQ

The exhibition will provide local residents and business owners an opportunity to view the plans, meet representatives from the project team, talk through the proposals and submit comments and views.
